1. Interviews will be no longer than seven (7) minutes and it is recommended that you wear business attire that is complementary to the contestant. Interview questions may come from your application, current events, or subject matter based on your introduction to the judges. If a judge asks you to tell about yourself, this will be your opportunity to lead the discussions based on the information that you provide the judges.
2. We will begin the pageant with the Parade of Contestants. You will wear what you wore for the Interview. You will be given 15-30 seconds at the microphone to introduce yourself, your school and contestant number. This will be upbeat and fast tempo.
3. The Fitness Wear competition will be next. You may select a Fitness attire of your choosing, in good taste. You may wear your choice of sports bra/tanks/tops and shorts/capris'/pants. **YOU ARE REQUIRED TO WEAR TENNIS SHOES**, barefoot is not permitted. There is **NO** restriction on colors, solids or patterns. Wear what you feel comfortable in and what shows your unique personality. This will be upbeat and fast tempo.
4. Evening Wear will consist of gown/evening attire of your choice. This will be a slower more elegant tempo.

Points will be awarded in each category of competition. A contestant may earn a maximum of 30 points from each judge for each phase of the competition. There is no dropping of high or low scores. Scores are not factored so each category is weighted equally. Each judge may award an additional 10 points during the Evening Wear competition for "Overall Impression". This will be the Judges Overall Impression of the contestant from all phases of the competition. Should there be a tie, the tiebreaker will be determined from the Interview score followed by the Evening Wear score then Swimsuit score. If the tie still exists, the Judges will break the tie. Judges scores are sealed.
